

# PRIMUS PORTABLE DIGITAL PIANO WITH 88 HAMMER ACTION KEYS AND IVORY FEEL

PRIMUS is a brand new digital piano suitable for various occasions and applications. This professional piano has a keyboard with "Hammer Action" which in combination with a realistic piano sound and an "Ivory feel" tactile sensation, gives the impression of playing a real classical piano. All the functions present in the PRIMUS digital piano are easy to use. The size of the tool is small so it doesn't take up much space. Its sound system was designed by expert "sound designer" and therefore its sound is both rich and delicate, showing the unique charm of the digital piano. PRIMUS is a digital piano that, thanks to its fantastic sound, is worth having.
