

## 4LEDKIT-PARTY COMPLETE 4-PAR LED LIGHTING KIT

SOUNDSATION 4LEDKIT-PARTY brings you a complete light system including all accessories in only one package. It is the smartest solution for all musicians, DJs, and small rental companies. It comes complete with 4 compact LED spots. Each spot contains 81 LEDs (27 Red, 27 Green, 27 Blue) in order to create a complete color palette. The spots are mounted on a T-bar which has a built-in controller unit. The T-bar can be controlled by the included pedal-board or by DMX. In addition to RGB color adjustment of all four PARs independently, the unit features 12 auto running programs and 4 Audio Mode Options, to let your lighting kit create wonderful effects even without a DMX controller.
