

SCAJ-20

ADJUSTABLE SNARE CAJÒN AYMARA SERIES

The Cajòn is a percussion instrument born in Perù. At the begin it was an adapted fruit shipping crate. The modern Cajòn has been modified during the years and is now made with more professional materials that create a better sound and let this instrument be used in many music styles. The AYMARA series are made in SIAM OAK with Natural Front panel and black satin body. The 14 tuning screws ensure the most precise tuning ever. This model features 3 internal snare assembled in the top part of the cabinet. The tuning key is included in each pack.
