

JUKEY 61

ELECTRONIC KEYBOARD WITH 61 PIANO KEYS AND AUDIO PLAYER

The Soundsation JUKEY-61 keyboard is perfect for beginners who want to start playing.

The JUKEY-61 keyboard has 61 piano-type keys, 510 different sounds, 300 accompaniment styles, and 30 demo songs to practice playing with. A sustain pedal (not included) can also be added for more authentic piano playing.

Thanks to the wide range of sounds and styles that this keyboard offers, you can have fun spanning various musical genres.

It can play audio tracks in different formats (mp3, Wav, Wma) thanks to the USB Host connection where a USB Flash Drive can be inserted. Audio playback takes place through two integrated 3 Watt speakers.

The compactness and the possibility of battery operation make this keyboard an instrument geared towards school use. The result of all the features is to have a good keyboard with a great value in its market range.
