

VIRTUOSO R02

ROSIN FOR BOWED INSTRUMENTS

Soundsation Rosin VIRTUOSO R02 is a natural vegetable rosin safe and environmentally friendly, suitable for use on stringed instruments. With its typical transparent red color and excellent consistency, the Soundsation Rosin product allows you to prepare the bow in such a way as to obtain perfect friction on the strings and is contained in an elegant package with an easy-to-grip plastic support. This rosin is all natural, hypoallergenic, and designed to be non-aggressive on the bow and strings
